

Mighty Mo Volleyball Club is a girls' competitive volleyball club based in Great Falls, Montana. Our club consists of approximately 20 teams ranging from U12 to U18, with athletes representing communities throughout the Cascade County area.

Club volleyball provides athletes the opportunity to develop their skills and compete at a high level outside of the traditional school volleyball season. Our teams travel throughout Montana and the western region of the United States to compete against other highly competitive programs.

Mighty Mo Volleyball Club is seeking the support of player and team sponsors to help offset the costs associated with participating in club volleyball. Sponsorship funds are used to cover essential expenses, including:

- AAU membership fees
- Tournament entry fees
- Uniforms and equipment
- Gym rental
- Coaching and administrative costs

Your support directly impacts our athletes by providing them the opportunity to be part of a high-performing club where they can grow, develop, and progress year after year. Our coaches and administrators are committed to helping each athlete build strong fundamentals while fostering a love for the game of volleyball.

As a sponsor, your business logo will be featured on our website as a token of our appreciation and support.

Sincerely,
