

GREAT FALLS MIGHTY MO VOLLEYBALL CLUB

Mighty Mo Volleyball Club is a girl's competitive volleyball club located in Great Falls, Montana. Our club consists of thirteen teams, ranging from U12 to U18 age groups. These teams are made up of players from towns all around the Cascade County area.

Club volleyball is an opportunity for players to build their volleyball skills and compete at a high level outside of the regular school volleyball season. Teams travel around Montana and the Western Region of the country to compete with other highly competitive clubs.

Mighty Mo Volleyball Club needs your help to raise the funds for our players to participate. We are looking for player/team sponsors to help us cover the costs associated with being part of a club organization. Funds are used to cover:

- AAU Membership Fees
- Referees/Scorers Training
- Tournament Entry Fees
- Uniforms and equipment
- Gym rental
- Coaching and administration costs

Your support will give our players the opportunity to be a part of a high performing club that they can progress through as they grow. Coaches and administrators are here to help them build their skills and introduce them to the wonderful sport of volleyball.

As a sponsor, your logo will be posted on our website. If you are looking for more information about **Mighty Mo Volleyball Club** or this request, please visit our website at www.ztvolleyball.com or contact us directly at mightymovolleyball@gmail.com.

We truly appreciate any support you can offer and look forward to a great volleyball season. Thank you for your consideration.

Sincerely,
Patrick Hiller, Director
Mighty Mo Volleyball Club

Players may collect funds and turn them in.
